

Do you want better Community Mental Health services in Craven?

Help us create them!

Have you used mental health care at your GPs surgery or another part of the NHS locally, or perhaps through a community organisation or group?

Or do you help to look after or support someone who does?

We are working on how to put new health guidance on this kind of service into practice in your area.

We need you to help us make these services better! Please come for a chat with us at:

Skipton Baptist Church, Otley Street, Skipton, BD23 1ET
Parking: Skipton High Street Car Park (off Rectory Lane) BD23 1EL

Thursday 28th July from 10am- 12:30pm
