AWAZ Cumbria empowers the voices of Black and Minority Ethnic (BME) People and Communities in Cumbria

AWAZ Cumbria aims to create strong and vibrant BME communities, fully engaged in the decisions which affect their growth and development.

Our shared vision with the people of Cumbria is to build pride in and make Cumbria a place where:

- Everyone is welcome to live, learn, work, visit and conduct business;
- People celebrate their diversity and maintain their heritage;
- BME communities and local people work together to tackle prejudice and promote understanding.

Westmorland and Furness Diversity Equity and Inclusion Partnership (WFDEIP) is the local Equality and Diversity Partnership. WFDEIP developed from South Lakeland Equality and Diversity Partnership (SLEDP) when the county boundaries changed in 2023. SLEDP has held events in Inter Faith Week since 2012.
